

# NOTICE

Dear resident-

Weather permitting, our company will be continuing repairs to the roofs at Portside starting Monday 1-5-15 and finishing by Friday 1-9-15.

Work will begin at approximately 8am each day and will finish by 5pm. Other than noise, this process should cause little disruption. However, some walkways may be blocked off for short periods of time, for safety purposes. We will do our best to minimize any inconvenience this may cause you.

If work is delayed due to weather or other reasons, we will inform you by notice of what additional days work will be performed on.

If you have any questions or concerns, please contact us at (707) 447-7663.

Thank you,  
ROOFMASTERS
